Trailer Storage

$$\underline{\hspace{2cm}} \text{ X } \underline{\hspace{1cm}} \$30 \text{ = } \underline{\hspace{2cm}} \\ \text{Overall Length} \quad \text{Price/Foot} \quad \text{Yearly Cost}$$

\$395 per season

Conditions of Storage

1. This agreement entitles the Boat/Trailer Owner to long-term storage of their boat and/or trailer at the Gratitude Marina located at 5924 Lawton Avenue, Rock Hall, Maryland. The Boat/Trailer Owner has access to their boat and/or trailer during normal business hours, however, long-term storage does not allow for the removal of the Boat/Trailer unless the agreement has been terminated. Special exceptions may be allowed at Gratitude Marina's management's discretion. **Seven days notice is required for launch and/or pickup.** Initial here: _____.
2. The Boat/Trailer Owner shall provide Gratitude Marina with a duplicate set of keys to the boat and/or trailer identified on this agreement which clearly identifies Owner's name. If Gratitude Marina loses the keys, they agree to reimburse the Owner for reasonable costs of getting an additional set made.
3. Storage charges are due when the boat/trailer is hauled or arrives for storage. All outstanding charges must be paid before the boat/trailer is launched or leaves the yard.
4. Boats/trailers must be clearly labeled as to ownership.
5. Boats, trailers, and gear are stored at the owner's risk. Gratitude Marina is not responsible for loss or damage by fire, theft, vandalism, storm, or other natural causes.
6. The Boat/Trailer Owner shall be required to provide proof of ownership for the boat and/or trailer to be kept in Gratitude Marina's storage yard.
7. Proof of required insurances signed by a licensed insurance company must be provided at the time of signing agreement and must clearly indicate that the coverage applies to the property belonging to the insured, which is kept and maintained away from the insured's residence(s). Failure to provide proof of insurance and appropriate registration numbers or documentation papers will prevent the storage of said property at Gratitude Marina.

8. The Boat/Trailer Owner agrees to pay Gratitude Marina the sum of \$_____ for the year in the form of rent. The payment of rent is to commence on the 1st day of January 20___. Storage agreements that begin in another month (ex. April) will be prorated for the first year. Failure to make payment within 30 days after due date will result in an overdue charge of 10% on the amount due. Payment owed after 60 days will result in a 2% charge on the total amount due per month thereafter. At 6 months, if payment is still owed, Gratitude Marina will initiate involuntary pay collection procedures, including impoundment and sale.
9. If the Boat/Trailer Owner sells, transfers, or conveys title of specific property aforementioned, the Boat/Trailer Owner hereby agrees to inform Gratitude Marina. Past due invoices must be paid at the time of the sale.
10. No outside contractors or paid workers are permitted to work on your boat unless prior approval is given by Gratitude Marina's management. Workman's compensation and liability insurance certificates for the workers are on file at Gratitude Marina. For specific rules pertaining to outside contractors, contact the marina office.
11. A credit card is required to be kept on file and all payments are due on completion of work.
12. The Boat/Trailer Owner agrees to strictly follow the terms and conditions of this agreement and the rules and regulations of Gratitude Marina's storage yard. The Boat/Trailer Owner confirms that they have received a copy of the agreement by initialing here: _____.

Rules of the Yard

1. Tampering with or moving jack stands is prohibited by anyone but yard staff. Lines from covers, tarps, etc. are not to be tied to jack stands.
2. Waste oil, fuel, and solvents are to be disposed of properly and under no condition are to be left in yard, dumpsters, or designated material storage areas. Disposal of such materials must be done according to EPA standards and with permission, proper logging and supervision by the service manager. Fees for disposal of hazardous materials will be paid by the responsible party.
3. Due to new EPA guidelines, removal of bottom and topside paints must be done using dustless sanders and related materials, which can be rented from the marina. Drop cloths must be used.
4. Sandblasting or use of compressed air painters is prohibited in the storage yard by anyone except authorized professionals.
5. Owners are responsible for damage to other vessels in the yard as a result of the aforementioned repair and maintenance activities, i.e. paint, dust, solvents, etc.
6. Welding and open flames including blowtorches, burning torches and grills of any kind are prohibited in the storage yard.

DUE TO INCREASED CONCERN FOR OUR ENVIRONMENT and increased regulation by state, federal, and local authorities, it has become necessary to closely police repair and maintenance activity at our facilities. We are under especially close scrutiny because of the proximity of marinas and boatyards to the water and tidal wetlands. Our policies and restrictions are in no way designed to restrict trade or inconvenience our customers. They are simply out of compliance with imposed regulation and concern for our precious resources. Thank you for your consideration and compliance. Should you have any questions regarding acceptable practices or wish to report any violations, please contact the marina office.
